**Easy and
reliable**

Cleaning up after Australian families since 1980

The Dishlex name is synonymous with excellent performance, reliability and exceptional value. The new range of Dishlex dishwashers continues to provide practical dishcare solutions wrapped in a stylish contemporary design, and is sure to become one of your best kitchen allies.

Dishlex dishwashers are simple, easy to use and great value for money.

Designed to make life easier

Introducing the brand new range of dishwashers from Dishlex. Stylishly designed for an easy and efficient clean, you'll enjoy sparkling results with every wash. And with great energy efficiency and low water consumption, Dishlex dishwashers are better for the planet and your wallet too.

Simple to use controls

The well designed and simple to use controls features an easy push button control.

A Faster Wash

A quick 30 minute program is the perfect choice when you're in a hurry or have a partial load to wash.

Saves water

With today's climate challenges, we need to do what we can to save water. That's why we offer 4.5 Star WELS water rated dishwashers.

Adjustable upper basket

The top basket height can be easily adjusted to accommodate large plates and platters in the lower basket.

Over fill protection

The Dishlex overfill protection water safety system helps to prevent accidental flooding in your kitchen.

Child lock

Safely locks the control panel functions, in case of curious little fingers.
